

utils.Component

```
classDiagram
    class utils_Policy["utils.Policy"]
    class utils_Component["utils.Component"]
    utils_Policy --|> utils_Component
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'utils.Policy'. A vertical blue arrow points upwards from this box to a white box labeled 'utils.Component' at the top. This indicates that 'utils.Policy' inherits from 'utils.Component'.

utils.Policy
